WEDDINGS

For all the loved-up music lovers, gig goers and avid explorers of the road less travelled. A unique wedding venue in the Wirral, our Live Room is available for engagement parties, evening hires and full wedding receptions.

Future Yard is a not for profit community interest company; established to harness the power of music as a transformative opportunity for the social, cultural and economic regeneration of Birkenhead.

FUTURE YARD

LIVE ROOM

Our main performance space provides a dramatic backdrop to celebration. We can seat 60 in a formal style and up to 250 for evening parties.

ARRIVAL BAR

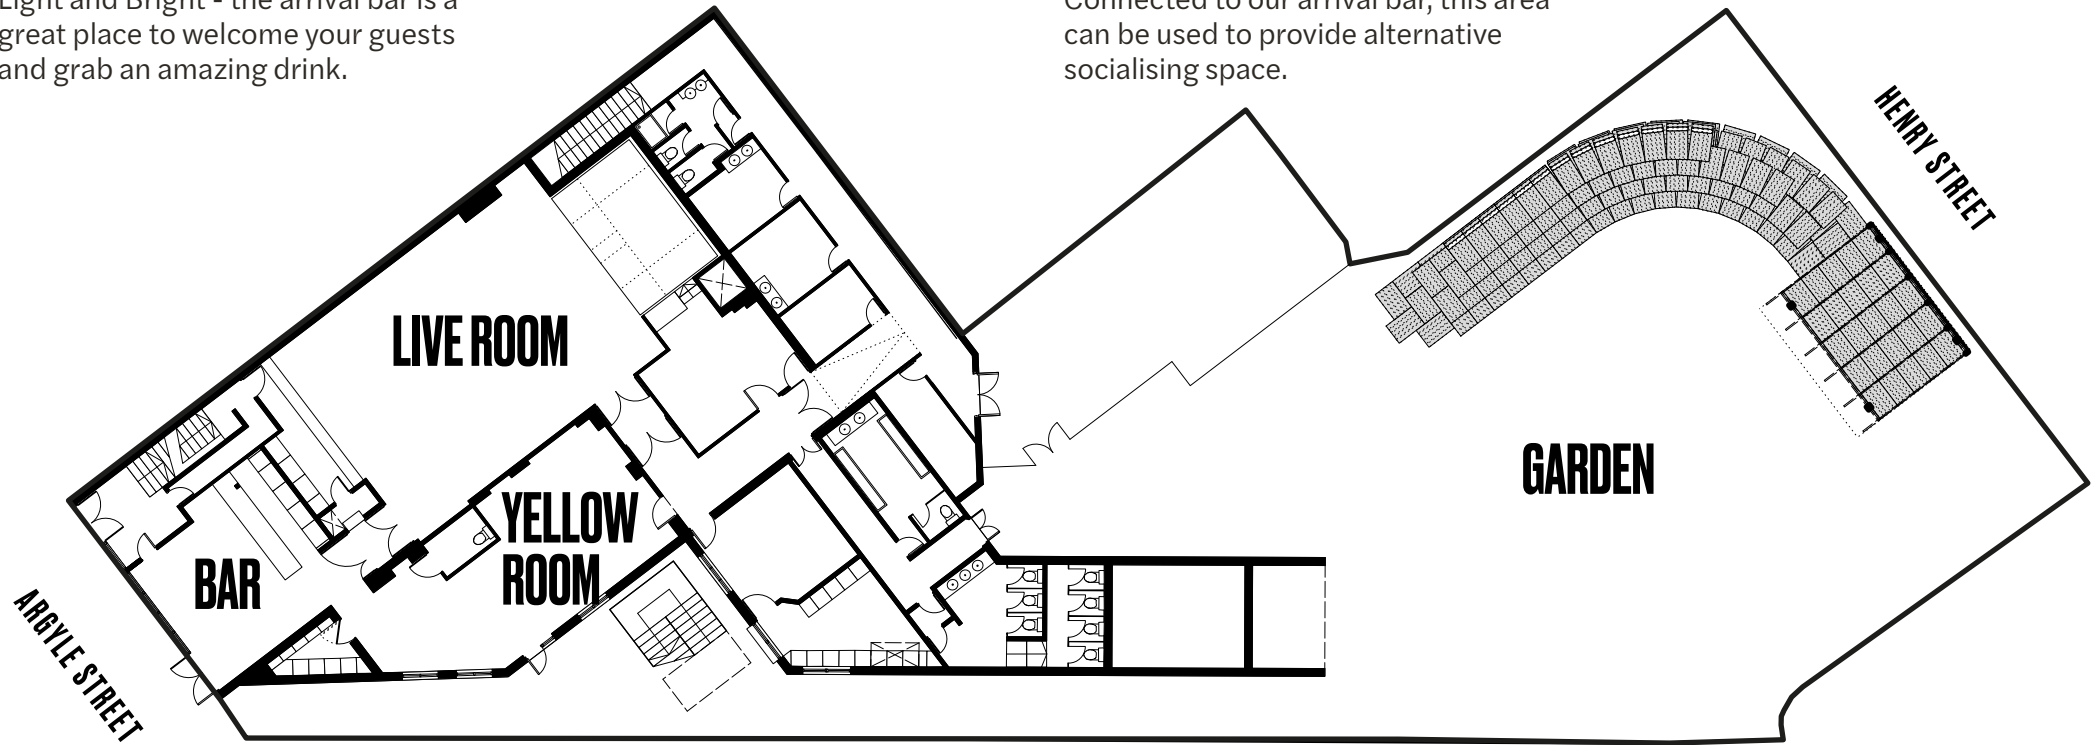

Light and Bright - the arrival bar is a great place to welcome your guests and grab an amazing drink.

YELLOW ROOM

Connected to our arrival bar, this area can be used to provide alternative socialising space.

GARDEN

Our garden remains open to the public during summer months but you and your guests are free to enjoy it also. We find it's such a large space, there's plenty of room for everyone.

SPACE

We have a Neapolitan-style vegan pizza kitchen. Perfect for an alternative wedding breakfast or as an evening snack. Served as a buffet at £17 a head, including fries and sides.

Alternatively we work alongside our catering partners Hardy's, a well established local supplier who offer a bespoke service with a variety of catering options from traditional wedding breakfast to indulgent feasts.

FOOD

We supply and serve all of your drinks on the big day. This can include bespoke welcome drinks, discounted pre-purchased table drinks and a fully staffed bar throughout the event.

Along with our supplier Inspiring Wines, we will work with you to find the perfect wine for your event. We aim to be flexible if you have a particular favourite or a quirky idea!

DRINKS

Future Yard is not licensed to hold civil ceremonies, however Birkenhead Town Hall is only 5 mins away and we are easily accessible for groups travelling from further afield.

Our closest licensed premises for marriages and civil partnerships are Birkenhead Town Hall, Williamson Art Gallery and Gladstone Theatre at Port Sunlight. We are easily accessible for bus transfer and Future Yard has ample parking spaces within walking distance.
