WHO ARE FUTURE YARD?

Future Yard is a dynamic music venue and creative hub in Birkenhead, with the aim of using the power of music to create long-lasting change in our area. Our **'Mosh Tots Gigs For Kids'** series for children up to 8, **Band Clubs** for all children 6 and above, and **'New Noise Music Centre'** for children aged 13-17, form our innovative cradle to career pathway for young people. Our aim is to help young people develop a lifelong love of music, through playing, learning the skills to make it happen or simply enjoying music as a key part of their lives. We are supported by Arts Council England as a National Portfolio Organisation for this work, and the wealth of other training programmes aimed at creating pathways into the live music industry such as our live production careers training programme **'Sound Check'** and artist development pathway **'Propeller'**.

FUTURE YARD ARE TRANSFORMING WHAT MUSIC EDUCATION IN PRIMARY SCHOOLS CAN LOOK LIKE.

In 2025-26, 12 schools joined the programme, bringing together classroom learning, live music, and real-world industry experiences. What began as a pilot is already reshaping how pupils engage with music, building confidence, creativity, and a deeper connection to learning.

Built in partnership with schools across Wirral, and supported by Love Music Trust (Hub Lead Organisation for Wirral), the programme connects pupils to a wider local music network and future pathways.

"FUTURE YARD IS AN ORGANISATION FULL OF PASSIONATE PEOPLE, WHO GENUINELY HAVE THE INTERESTS OF YOUNG PEOPLE AT THE HEART OF WHAT THEY DO. THEY ARE RELEVANT, LOCAL AND WHAT THEY DO SPEAKS DIRECTLY TO THE COMMUNITY THEY SERVE. WE ARE DELIGHTED TO HAVE FUTURE YARD AS A KEY PARTNER TO DEMONSTRATE WHAT MUSIC HUBS SHOULD BE DOING."

John Barber, Director - Love Music Trust.
